

PROVIDE CPR STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material & pre-attendance quizzes

You will receive a confirmation email which includes important information and login details for the Online Portal. Complete your online quiz and submit your results. Completion of the quiz is a mandatory requirement to attend training.

3. Attend 1/2 Day of training + Completion Session

You will receive 1/2 day of training involving theory & practical. This is followed by a completion session (up to 1 hour).

4. Receive your Credentials

After attending the course, you will receive a Statement of Attainment for the unit:

HLTAID009 Provide cardiopulmonary resuscitation

Important Information

Current industry standard is for this course to be refreshed/updated every 12 months.

To undertake a refresher course, a current CPR certificate (less than 12 months) must be held.
