

FIRST AID IN AN EDUCATION AND CARE SETTING STUDENT JOURNEY

1. Enrol in your Course

Book your course online or by calling our friendly customer service team.

2. Access your learning material & pre-attendance quiz

You will receive a confirmation email which includes important information and login details for the Online Portal. Complete your online quiz and submit your results. Completion of the quiz is a mandatory requirement to attend training.

3. Attend 1 Day of training + Completion Session

You will receive 1 day of training involving theory & practical. This is followed by a completion session (up to 3 hours)

Receive your Credentials

After attending the course, you will receive a Statement of Attainment (HLTAID004 Provide an emergency first aid response in an education and care setting & HLTAID001 Provide CPR)
