

PROGRAM OUTLINES & STANDARD TERMS

L4W Workplace Training Solutions Program
Outlines and Standard Terms.

NSW JAN - JUNE 2022 - V02

Introduction

This document is intended to provide an overview of all programs covered by Licences 4 Work. Each course section will list the attainable units, various formats and the licenced outcome.

Once you have found a course of interest you can contact us using the details at the back of this booklet.

We look forward to working with you.

Training Available in Workpalce

Your team unavailable to come into our site? No Problem! Licences 4 Work provides training at your workplace. Look at the individual requirements of the course you're interested and speak to our staff for more information on Training in the Workplace.

Government Funded Programs

With the assistance of the Federal and State government funding initiatives – JCT has the ability to offer FREE* or small fee training to eligible students.

Program Outlines

FORKLIFT COURSES

FORKLIFT (LF)

Licenced Outcome

TLILIC0003 Licence to Operate a Forklift Truck
National High Risk Work Licence - LF Class

This unit specifies the skills and knowledge required to operate a forklift truck safely in accordance with all relevant legislative requirements. Forklift truck means a powered industrial truck equipped with lifting media made up of a mast and an elevating load carriage to which is attached a pair of fork arms or other attachments that can be raised 900 mm or more above the ground, but does not include a pedestrian-operated truck or a pallet truck.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 days training + 1 day assessment

Advanced Course

- Experienced Forklift Operators
- Good level of English Language & Numeracy skills.
- Pre-course requirements (study and questions).
- 1 day training + 1 day assessment

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Forklift or High Reach Forklift
- Space for manoeuvring
- Racking or similar load bearing structures
- Area for Theory Training

ORDER PICKER FORKLIFT (LO)

Licenced Outcome

TLILIC0004 Licence to Operate an Order Picker Forklift
National High Risk Work Licence - LO Class

This unit specifies the skills and knowledge required to operate an order picking forklift truck safely in accordance with all relevant legislative requirements.

Order picking forklift truck means an order picking forklift truck where the operator controls are incorporated with the lifting media and elevate with the lifting media.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 days training + 1 day assessment

Advanced Course

- Experienced Forklift Operators
- Good level of English Language & Numeracy skills.
- Pre-course requirements (study and questions).
- 1 day training + 1 day assessment

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Order Picking Forklift Truck
- Space for maneuvering
- Racking or similar load bearing structures
- Goods/Items for picking
- Area for Theory Training

SHORT LOAD STACKING COURSES

HIGH REACH FORKLIFT TRAINING

Outcome

Certificate of Participation – High Reach Training

Reach forklifts, also known as reach trucks, get their names from the distinctive way in which their fork carriages can 'reach' into racking. This type of machine is covered by a LF High Risk Work Licence, however most courses do not cover High Reach machines unless specified. Licence 4 Work has industry standard High Reach Machines available to ensure you get the training you need.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2-3 Hours of training involving theory and practical

Additional Information

- This course can only be attended by those who hold a current LF Licence.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- High Reach Forklift
- Space for manoeuvring
- Racking or similar load bearing structures
- Area for theory training

ELECTRIC PALLET JACK TRAINING

Outcome

Certificate of Participation – Electric Pallet Jack Training

Electric Pallet Jacks are motorised pallet jacks to allow for lifting and moving heavier, stacked pallets. If you're considering working within a warehousing environment, Pallet Jack skills are considered essential.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 hours of training involving theory and practical.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Electric Pallet Jack Space for maneuvering
- Low level storage & palletised products
- Area for Theory Training

WALKIE STACKER

Outcome

Certificate of Participation – Walkie Stacker Training

A walkie stacker is a powered elevating pallet truck which the operator walks behind. They are suitable for order picking in warehouses and retail stores, and other tasks such as pallet handling and stacking. Workers with Walkie Stacker training are less likely to cause any warehouse accidents, faults and damages. Increase overall warehouse efficiency by training your staff today.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 hours of training involving theory and practical.

Available in the Workplace

Yes, minimum numbers apply

Facility and Resource requirements:

- Walkie Stacker
- Space for maneuvering
- Suitable racking structures
- Area for theory training

VERIFICATION OF COMPETENCY - FORKLIFT

Outcome

Verification of Competency

This process is designed for those already holding a High Risk Work Licence (unexpired) that need their competency to be verified.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Attend 1 day of testing.
- You will need to provide evidence of a current + valid LF or LO Licence.

Available in the Workplace

Yes, minimum numbers apply

Facility and Resource requirements:

- Forklift or Order Picker
- Space for maneuvering
- Suitable racking structures
- Area for Theory Training

ELEVATING WORK PLATFORMS

ELEVATING WORK PLATFORM (OVER 11M)

Licensed Outcome

Statement of Attainment – EWP (Over 11m)

National High Risk Work Licence – WP Class

This unit describes the skills and knowledge required to operate an elevating work platform at any height. This unit applies to those working in operational roles.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 days of training involving theory and practical followed by up to 1 day for assessment.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Boom Lift (reach over 11m)
- Space for manoeuvring
- Area for theory training
- Area for practical training

ELEVATING WORK PLATFORM (UNDER 11M)

Outcome

Statement of Attainment – EWP (under 11m)

EWPA Yellow Card (BL, SL, VL)

From scissor lifts to boom lifts, machine elevated work platforms are an ideal solution to provide temporary access to areas that are difficult to reach and high up.

Under 11 metre Elevating Work Platform components (BL, SL and VL) are taught by Elevating Work Platform Association accredited trainer & assessor.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by the EWPA
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 1 full day of training involving theory and practical.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Boom Lift or Scissor Lift or Vertical Lift
- Space for manoeuvring
- Area for theory training
- Area for practical training

EWP UNDER 11M + OVER 11M

Licensed Outcome

Statement of Attainment – EWP (under 11m)

EWPA Yellow Card (BL, SL, VL)

National High Risk Work Licence – WP Class*

This unit describes the skills and knowledge required to operate an elevating work platform at any height. This unit applies to those working in operational roles.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ *Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 days of training involving theory and practical followed by up to 1 day for assessment.

Available in the Workplace

Yes, minimum numbers apply

Facility and Resource requirements:

- Boom Lift (reach over 11m)
- Scissor Lift or Vertical Lift
- Space for manoeuvring
- Area for theory training
- Area for practical training

VERIFICATION OF COMPETENCY - EWP

Outcome

Verification of Competency

This process is designed for those already holding a High Risk Work Licence (unexpired) that need their competency to be verified.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Attend 1 day of testing.
- You will need to provide evidence of a current + valid WP Licence.

Available in the Workplace

Yes, minimum numbers apply

Facility and Resource requirements:

- Boom Lift
- Space for maneuvering
- Racking or similar load bearing structures
- Area for Theory Training

WORKPLACE SAFETY

WHITE CARD

Outcome

CPCCWHS1001 Work Safely in the construction industry

White Cards are required for workers who want to carry out construction work. People who need White Cards:

- Site Managers, Supervisors Surveyors, labourers and Tradespeople.
- People who access operational construction zones
- Workers who routinely enter operational construction zones.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 1 full day of training involving theory and practical.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Appropriate PPE

WORK SAFELY AT HEIGHTS

Outcome

RIIWHS204E – Work Safely at Heights Wallet Card

Most people who are seriously injured or killed, fall from a height of four metres or less. Ladders, incomplete scaffolds, falling off a truck, a roof edge or falling through fragile roof sheeting are the major causes of injuries.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 1 day of training involving theory and practical.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Suitable Height Area

CONFINED SPACE TRAINING

Outcome

RIIWHS202D Enter and work in Confined Spaces
Wallet Card

This unit describes a participant's skills and knowledge required to enter and work in confined spaces in the Resources and Infrastructure Industries.

This unit is appropriate for those working in operational roles undertaking work in confined spaces.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 1 day of training involving theory and practical.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for theory training
- Suitable confined area

HEIGHTS + CONFINED SPACE TRAINING

Outcome

RIIWHS204E – Work Safely at Heights
RIIWHS202D Enter and work in confined spaces
Wallet Card

This unit describes a participant's skills and knowledge required to enter and work in confined spaces in the Resources and Infrastructure Industries.

This unit is appropriate for those working in operational roles undertaking work in confined spaces and heights.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard

- Suitable for all levels of experience
- 2 days of training involving theory and practical.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Suitable Heights area
- Suitable confined area

TRAFFIC CONTROL

TRAFFIC CONTROLLER + CONTROL PLAN IMPLEMENTER

Outcome

RIIWHS201D Work safely and follow WHS policies and work procedures
RIIWHS205D Control traffic with a stop/slow bat
RIICOM201D Communicate in the workplace
RIIWHS302D Implement traffic management plan
Safework NSW TCWT

Traffic Controllers direct traffic safely around a construction zone, accident or other road disruption.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 2 days of training involving theory and practical.
- 2 hour assessment for Traffic Control + 3 Instances for implementer

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Pratical Training
- Area for Assessment

TRAFFIC CONTROLLER

Outcome

RIIWHS201D Work safely and follow WHS policies and work procedures
RIICOM201D Communicate in the workplace
RIIWHS205D control traffic with a stop slow bat
Safework NSW TCWT

This course certifies one to control traffic with a Stop/Slow bat, Communicate in the workplace and follow WHS policies/ Work procedures. This course provides you with a SafeWork NSW Traffic Control Work Training Card.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard Course

- Suitable for all levels of experience
- 1 days of training involving theory and practical followed by a 2 hour assessment.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Pratical Training
- Area for Assessment

TRAFFIC CONTROL PLAN IMPLEMENTER

Outcome

RIIWHS201D Work safely and follow WHS policies and work procedures

RIICOM201D Communicate in the workplace

RIIWHS302D Implement traffic management plan

Safework NSW TCWT

Traffic Control Plan Implementers are responsible for site setup and traffic management at a construction zone, accident or other road disruption.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard

- Suitable for all levels of experience
- 1 days of training involving theory and practical.
- Followed by practical instances

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Pactical Training

PREPARE WORK ZONE TRAFFIC MANAGEMENT

Outcome

RIIWHS201D Work safely and follow WHS policies and work procedures

RIIRIS301D Apply risk management processes

RIIGOV401D Apply, monitor and report on compliance systems

RIICWD503D Prepare work zone traffic management plan

Safework NSW TCWT

This course sets up one to design or inspect a work zone traffic management plan. This course is essential for those at a management level.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Approved by State Regulator
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard

- Suitable for all levels of experience
- 3 days of training involving theory and practical followed by a post-course assessment.

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training

FIRST AID

PROVIDE FIRST AID

Outcome

HLTAID011 Provide first aid

HLTAID009 Provide CPR

This unit describes the skills and knowledge required to provide a first aid response to a casualty in line with first aid guidelines determined by the Australian Resuscitation Council (ARC) and other Australian national peak clinical bodies.

The unit applies to all persons who may be required to provide a first aid response in a range of situations, including community and workplace settings.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard / Refresher

- Suitable for all levels of experience
- 1 day of training involving theory & practical.
- Pre-attendance requirements

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Practical Training

PROVIDE CPR

Outcome

HLTAID009 Provide CPR

When a person suffers from Cardiac Arrest, the chances of survival double when they are given Cardiopulmonary Resuscitation (CPR).

CPR is an emergency procedure that combines chest compressions with artificial ventilation to provide oxygen to the brain and other vital organs.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard

- Suitable for all levels of experience
- Up to 4 hours training involving theory & practical.
- Pre-attendance requirements

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Practical Training

FIRST AID IN AN EDUCATION AND CARE SETTING

Outcome

HLTAID012 Provide an emergency first aid response in an education and care setting

HLTAID009 Provide CPR

First Aid training provides you confidence to step in during a medical emergency

This course meets Australian Children's Education and Care Quality Authority (ACECQA) for first aid, anaphylaxis management and emergency asthma training.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

- Suitable for all levels of experience
- 1 day of training involving theory & practical.
- Pre-attendance requirements

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Practical Training

FIRST AID + EDUCATION & CARE SETTINGS

Outcome

HLTAID011 Provide first aid

HLTAID012 Provide an emergency first aid response in an education and care setting

HLTAID009 Provide CPR

First Aid training provides you confidence to step in during a medical emergency

This course meets Australian Children's Education and Care Quality Authority (ACECQA) for first aid, anaphylaxis management and emergency asthma training.

- ✓ Public Course Available
- ✓ Group Discounts Applicable
- ✓ Recognised Training
- ✓ Training in the Workplace
- ✓ May be Funded by Gov*

Standard

- Suitable for all levels of experience
- 1 day of training involving theory & practical.
- Pre-attendance requirements

Available in the Workplace

Yes , minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Practical Training

BASIC SCAFFOLDING

Outcome

CPCCLSF2001 - Licence to erect, alter and dismantle scaffolding basic level

This unit specifies the skills and knowledge required to erect and dismantle a range of modular scaffolding systems to provide work platforms for construction purposes. Scaffolding systems include edge protection, access ways and falsework (scaffold support systems for formwork).

- ✓ Public course available
- ✓ Group discounts applicable
- ✓ Recognised training
- ✓ Training in the workplace
- ✓ Maybe funded by Gov*

Standard

- Suitable for beginners and those with experience
- Standard Combo Course – 4 days training and 1 day for assessment

Available in the Workplace

Yes, minimum numbers apply

Facility and Resource requirements:

- Area for theory training
- Area for practical training

INTERMEDIATE SCAFFOLDING

Outcome

CPCCLSF3001 - Licence to erect, alter and dismantle scaffolding intermediate level

This unit specifies the skills and knowledge required to safely erect and dismantle all types of tube and coupler scaffolding systems to provide work platforms for construction purposes and all work associated with modular scaffolding systems. Scaffolding systems include edge protection, access ways and falsework (scaffold support systems for formwork).

- ✓ Public course available
- ✓ Group discounts applicable
- ✓ Recognised training
- ✓ Training in the workplace
- ✓ Maybe funded by Gov*

Standard

- Suitable for beginners and those with some experience
- Standard Combo Course – 4 days of training attendance, 1 day for HRW Assessment (booked on site)
- Pre-attendance requirements

Available in the Workplace

Yes, minimum numbers apply

Facility and Resource requirements:

- Area for Theory Training
- Area for Practical Training

Standard Workplace Training

Terms & Conditions:

The terms below apply to:

- Group Bookings to our training facilities exclusively for our clients
- Training conducted in the workplace
- Training conducted in other agreed locations

For Individuals and groups that will be attending our training centres – the Terms and Conditions associated with each of the courses, as found on our websites will apply:

- Sydney: www.licences4work.com.au
- Newcastle: www.licences4worknewcastle.com.au
- Brisbane: www.licences4workbrisbane.com.au
- Perth: www.licences4workperth.com.au

Booking Requirements:

- Student name(s), email addresses, contact numbers, training, locations dates for Training and other details to be confirmed
- Completed Facility and Resource Check
- Client accepting Standard Terms
- Invoice generated and will apply once we confirm the following minimum details:
 - a. Course(s), Options (if applicable)
 - b. Groups
 - c. Participant numbers, and
 - d. Dates for training;
 - e. Location of training(s)
 - f. Location of assessment(s)
 - g. Any additional fees or costs that apply (see below)

Terms and Conditions

1. Min Fees apply regardless of attendance , provision for replacement students is available and alternate training (with fees) available;
2. Final invoice will include (as applicable) –administration fee per group, training fee, assessment fee (if separate and applicable), any Card/Licence Fees, Resource Fees, Location Loadings, Other fees as agreed.
3. Students may be replaced by others at least 48 hours prior to commencing training (first date of training) with no additional costs by way of email to the L4W representative; this can be arranged with less than 48 hours, however the responsibility to communicate with replacement students and the completion of Pre-Attendance requirements is the clients.
4. All invoices are 30-day terms from invoice date.

5. Reschedule / Cancellation for the group with more than 72 hours (calculated by time of agreed commencement) incurs no fee.
6. Reschedule / Cancellation with less than 72 hours notice, regardless of the reason (Calculated by time of agreed commencement) incurs a fee of 25% of the fee invoiced or \$599 (the lesser of 2 amounts).
7. Where cancelled and the client does not or can not book in the next 20 days then invoices will be amended and become payable by the original due date.
8. Where cancelled and the client does book in the next 20 days then a new invoice will be generated.
9. Where training is booked and Invoices are yet to be paid, then the terms still apply and invoices will be amended as per these terms and are to be paid.

Students Pre-attendance Requirements:

1. Most courses will have a pre-attendance requirement. This is accessed online, alternate arrangement can be made.
2. Clients will be required to provide email addresses of all students for communicating training and assessment requirements – dates and time will be the responsibility of the Client.
3. It is the responsibility of the client to ensure that their staff members access and complete any pre-attendance work required.
4. Where pre-attendance work is not completed then a period of 7 days after training will be granted to allow for students to finalise these requirements; however, certificates will not be issued until pre-attendance work is completed satisfactorily. This does not apply for HRW courses (see below). If not submitted within 7 days; a new Training Plan will need to be developed and this will incur a fee of \$50 per student. All courses have a 90 day expiry after which re-enrolment will be required.
5. For HRW courses – it is at the SOLE discretion of the trainer / assessor to decide if the training plan can be reasonably adjusted go ahead as planned – additional costs may apply if additional training hours required at a rate of \$100/hr or \$500 for a full day.
6. Please note that not completing pre-attendance work may result in staff not completing their course or attaining their certificates / licences within the scheduled time and this will attract further fees (set out below)

Competency award, Additional Training and /or Assessment and other Terms:

1. No VET provider can guarantee outcomes – this strictly enforceable. Rather, most people that attend and participate usually complete within the program timeframes.
2. Where staff do not attain outcome by the end of the prescribed program timeframe;
 - a) they may attend one of our centres to finalise training and/or assessment. Further training and/or re-assessment fee(s) as detailed in the standard Terms and Conditions for our courses found on the relevant Licences 4 work website or
3. Additional training/assessment arranged in the workplace AT THE DISCRETION of the training company (will depend on fees).
4. Additional training hours will be billed at a rate of \$100/hr or \$500 for a full day. Extending the day to complete the training is at the SOLE discretion of the trainer.
5. Additional days are to be arranged through our National Business Development Team – again this is at the SOLE DISCRETION of the training company.
3. Where a group requires additional training/assessment in the workplace then this can be arranged at a fee of \$500 extra day with maximum numbers set per day.
4. Where less than 100% attendance is achieved then all fees are still payable. A JCT/L4W consultant may offer a 50% discount on the advertised price (for the date booked) at the training centres for those that did not attend the group as an additional payment to undertake / complete their training; the original invoice is still payable. Once a student(s) is transferred to a training centre then all Terms and Conditions for the course at the training centre will apply. This training must be booked in within 7 days and completed within the 90 days.
5. Training resulting in a National Recognised Qualifications has certain rules and requirements which at times are non-negotiable.
6. Where our Facility, Equipment and Resource check indicates a need for resources in addition to those already present in the workplace, or those provided as Standard as part of our responsibilities, then these may be arranged by the client. Where arranged by the client - Failure to arrange/prepare the required facility, equipment and/or resources may result in cancellation of training and this is regarded as a cancellation without notice and all fees as per these Terms and Conditions will apply.
7. Where the RTO has agreed to arrange or provide additional facility, equipment and/or resources then this will be charged to the client at a fee calculated as Cost + 20% admin fee.
8. Accommodation required for trainers/assessors will be charged at cost + 10% admin fee.
9. Where training is cancelled by the client then any costs incurred (from third parties) as a result are payable by the client including the 10% additional admin fee.
10. Location Loading – in addition to any fees for facility, equipment and/or resources agreed, a location loading of 10% is applied per group admin fee, assessment fee and per student (based on min fee per person). Anything more than 80km from nearest center will have 10% added to total fee, anything more than 150km will have an additional 10% added.

Just Careers Training trading as Licences 4 Work (JCT/L4W) may cancel any course at any time due to unforeseen circumstances. If this should occur, then JCT/L4W will offer a free reschedule (and this may be in the workplace or at one of our training centres at our discretion) or a refund of fees paid. At all times, a cancellation by JCT/L4W will NOT result in any liabilities or costs payable by JCT/L4W. Should the client incur additional costs relating to equipment hire then JCT/L4W will cover the costs associated with the cancellation if more than 48 hours notice is provided to the client.

About Us

Just Careers Training (RTO ID 91413) is a Registered Training Organisation that also trades as Licences 4 Work.

Established in 2007, Just Careers Training (JCT) / Licences 4 Work has assisted tens of thousands of individuals and workplaces in meeting their workplace training requirements.

Registered and approved by a range of Regulators, and with multiple purpose designed sites in Sydney, the Hunter / NC region, Brisbane and Western Australia we offer a range of short courses and full qualifications. Our Licences for Work offerings include a range of products designed to ensure safety, Regulatory and, where applicable, licencing requirements are met.

Just Careers Training Pty Ltd also trades as Just Careers Training and offers employers and individuals a range of

short courses and full qualifications from Certificate III to Diploma level, delivers a range of Traineeships and funded training options in the areas of Business Administration, Leadership and Management, Warehousing and Logistics, Community Pharmacy, Food Safety and more.

Our Public Training Centres hold courses daily, weekly, on weekdays, weeknights and weekends and our specialist Workplace Training Solutions Team will tailor and deliver workplace training in a cost effective no fuss manner, ensuring that we provide you with options to meet your workplace training, safety and licencing requirements.

Contact us anytime to discuss your workplace training needs.
